

Declaration of Conformity

Product Type: **Grid connected photovoltaic inverter**

Models: **Conext RL 3000E,
Conext RL 3000E-S,
Conext RL 4000E,
Conext RL 4000E-S,
Conext RL 5000E,
Conext RL 5000E-S**

The above models conform to the following standards as specified in EN 50438: 2013- Requirements for micro-generating plants to be connected in parallel with public low-voltage distribution networks

RD1699: 2011 **Administrative and technical rules for generation in special regime of any technology. Up to 100 kW in LV networks.**
